

## Questionnaire for crew members

If you have already told us of your wishes/limitations, please state them here anyway, so all the information is in one place and nothing can get lost.

Name:	
Address:	
Email:	
Phone:	

I have been at the festival before:
as a visitor                      as a crew member
I would like to work during set-up of the festival from
I would like to work during takedown of the festival until
As a set-up/ takedown crew member I would also like to work part-time during the festival (see information text)

Do you know one or several foreign languages or sign language well?
If your mother tongue is not German: what is your mother tongue and what language/s can you communicate in?
What is your profession / job and what sort of further capabilities do you have which you could use at the festival (response is optional)?
I am travelling to the festival with my own car and I can take part in the shuttle service (petrol costs will be reimbursed). In the case of travelling by car, what type do you have? (number of seats? Is it a bus? ...):
Which concert do you absolutely not want to miss (only one, please!)
Is there anything that you absolutely need from us to be able to attend the festival

(e.g. a special diet in the case of food allergies)?

What can you not do?	
stand for a long time	sit for a long time
carry heavy items	work late at night (after 10pm)
clean toilets (allergic to chemical detergents)	
Other things you can't:	

To do list – see more information on the webpage

I can or can't	I like doing	I would do	I definitely won't do
welcoming and assisting on the car park			
monitoring incoming cars to the meadow			
tidying up / cleaning			
selling drinks			
children's activities			
cooking for the crew			
Stand-ins/back-ups			
Support of women with disabilities			
Doing dishes			
Organise the crew tent during the concerts			

In order to avoid misunderstandings: we plan with your limitations and requirements in mind, but we cannot guarantee that all your wishes will be fulfilled. That just isn't possible sometimes for organisational reasons. It will be much easier for us if you really only state the most important limitations.

Here is some space for your own suggestions, comments and messages:
